About

THE SPACE

Introducing The Space NYC's gift collection -- A highly-curated selection of products, from Brazilian-inspired fashion brand Osklen to unique handmade pieces from Poglia & Ascari... all gift-worthy items, perfect for this upcoming holiday season.

the Founders

Founder

MAX POGLIA

Max Poglia is the Brazilian-Italian founder and creative director of Poglia, a brand known for “ruggedly handsome” products that embody old-world traditions and symbolize, as the NYTimes Style Magazine stated, “a throwback to simpler days for the modern man.”

Poglia Handcrafted Knives - Horn, Bone (sold separately) ~ \$285

the Founders

Founder

HELIO ASCARI

New York City-based, Brazilian-Italian craftsman Helio Ascari founded Ascarí Bicycles in 2011. Ascarí offers classically designed hand built bicycles, fusing a sense of timelessness with an equally timeless appreciation for the hand-built bicycle. Ascari grew up working in the wood and steel factories of southern Brazil, and his passion always lay in the design and manufacturing process.

the Founders

Founder

ALESSANDRO SQUARZI

Founder Alessandro Squarzi has emerged as a modern style icon and regular fixture in fashion media & press. He's had his hands in fashion since 1992, the year he began his career as a clothing shop assistant. He now designs clothing for his own brands Fortela and AS65. He also oversees marketing and distribution for various other brands and has opened four showrooms across Italy.
